

The Property Institute

Build Connections
Strengthen Leadership
Grow Together

Share **Experience**. Shape the **Future**.

Following a successful first year, **Mentor Circles** has already proved its value in bringing experienced professionals and emerging leaders together to **learn, connect** and **grow**.

For the 2027 intake, the programme will once again connect property managers with senior leaders from across the residential property management sector, creating meaningful mentoring relationships that **support confidence, leadership development** and **career progression**.

In its first year, **Mentor Circles** brought together 50 mentors and 50 mentees, with participants sharing knowledge, experience and insight through six online mentoring sessions over six months.

Whether you are looking to develop as a future leader or give back by sharing your experience as a mentor, **Mentor Circles** offers the opportunity to **build connections, broaden perspectives** and make a **lasting impact**.

How it Works

- Mentors: Must be qualified to MTPI or above
- Mentees: Minimum of two years experience within the property management sector
- Mentors and mentees carefully paired for compatibility
- Six one hour online sessions over six months
- Supported by **TPI Mentoring Team** with training and resources
- Confidential and goal-focused discussions
- Applications open to both mentors and mentees who are TPI Members via **TPI Learning Hub**

2027 Applications

Open: 1st December 2026

Close: 31st January 2027

Why Take Part?

Join **Mentor Circles** and help shape a confident, connected, and forward-thinking property management profession.
